

PROFILATI A FREDDO IN ACCIAIO-ALLUMINIO E LEGHE

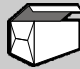

Staffe supporto inclinate in acciaio, con zincatura elettrolitica e passivazione
Steel support brackets, galvanic zinc plating and passivated
Schrägbügel aus Stahl, galvanische Verzinkung mit Passivierung
Pattes d'inclinaison en acier, zingage galvanique avec passivation

PROFILATI A FREDDO IN ACCIAIO-ALLUMINIO E LEGHE

Adattatori per guida  - Permettono di installare i componenti che non sono predisposti per l'aggancio su guida 

Mounting clips for mounting rail  - Allow installation of components which are not pre-set to clip on to rail 

Schienenadapter für  Tragschiene - Diese ermöglichen es Bestandteile u installieren, die nicht für den Anschluß an die Tragschiene  vorbereitet sind.

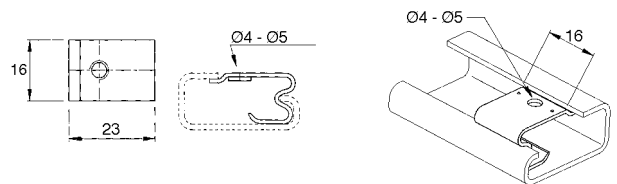

Adaptateurs pour guide  - Ils permettent d'installer les composant qui ne sont pas prédisposés pour la fixation sur le guide 

Materiale: acciaio nichelato • Material: nickel-plated steel

Material: vernickelter Stahl • Matériau: acier nickelé
